

James M. Luti Memorial Scholarship

Studies show that social isolation negatively impacts mental health. It has been harder than ever to stay connected throughout the past year. With this in mind, make an attempt to connect and check in with a fellow high school student. Write about your attempt.

How did it feel to initiate? Did you experience any discomfort? Did you experience any physical responses to the content of the conversation? Did your levels of comfort and/or vulnerability change at any point in the conversation? If so, what do you think caused that? Describe the conversation briefly, but more importantly, describe what you felt during the conversation.

The winner(s) will receive \$1,000 toward their continued education (college, university, vocational school, or apprenticeship).

Requirements:

- Must be a Stoneham High School senior.
- No minimum word requirement (750 word maximum).
- Must provide proof of enrollment or employment by apprenticeship prior to the disbursement of funds.

To be considered for the scholarship, responses should be attached in Portable Document Format (PDF) and emailed to info@jl11fund.org with the subject line "2021 James M.
